

October is Cybersecurity Month in Massachusetts and it's the perfect time to learn how to be cyber-safe.

If you are one of the thousands of people now working from home, you need to take a few steps to protect yourself, your family, and your organization from online hackers.

The Massachusetts Cybersecurity Center is here to help.

Visit MassCyberCenter.org to learn how you can collaborate with your friends, family, and others to protect yourself from cyber threats.

That's Mass Cyber Center dot O R G.
