HPC Offering Emergency Housing Assistance in Truro & Wellfleet

Orleans, MA - The **Homeless Prevention Council (HPC)** is pleased to be administering the Truro Emergency Rental Assistance and the Wellfleet Emergency Housing Assistance programs. These programs are in partnership with and funded by the Truro and Wellfleet Housing Authorities to support residents in their respective towns who are experiencing increased costs or loss of income as a result of COVID-19.

Residents in Truro or Wellfleet who are struggling to afford their housing costs, should fill out an online application available on HPC's website at www.hpccapecod.org or request a printed application to be delivered via USPS. Assistance is available in completing the application. With an HPC case manager, residents will be able to determine other community resources available to them to further support the needs of their individual situation.

"Through this partnership with the Truro and Wellfleet Housing Authorities, HPC is uniquely positioned to continue meeting the evolving needs of our community during these challenging times."

- Hadley Luddy, Chief Executive Officer

Truro and Wellfleet neighbors in need of support are encouraged to make HPC their first point of contact for success. To be connected with a case manager, please call HPC's office at (508) 255-9667 or email info@hpccapecod.org.
