

Cape Cod Hydrangea Festival

A Summer Garden Celebration

Save The Date
Seventh Annual Cape Cod Hydrangea Festival
A Summer Garden Celebration
July 9-18, 2021

For Immediate Release (February 18, 2021) - For the seventh year, gardeners across Cape Cod will ring in the summer season with the Seventh Annual Cape Cod Hydrangea Festival, happening July 9-18, 2021. Not just a celebration for the region's signature bloom, the genus hydrangea, this event encompasses plants of all kinds.

The main attraction across the 10-day festival are tours of local gardens, usually kept off-limits and only maintained by individual homeowners throughout the year. Tours of these unique private spaces are \$5 per person per garden, and every garden is paired with a benefiting nonprofit organization which receives 100% of the proceeds.

Any Cape Cod based nonprofit organization is welcome to join the Cape Cod Hydrangea Festival. Opportunities exist for nonprofits to join with local gardeners to create a tour. Area businesses are also welcomed to host hydrangea- or plant-related lectures, workshops, and demonstrations, or perhaps offer a discount to Hydrangea Festival participants.

Email greta@capecodchamber.org to join the festival and receive timely updates over the upcoming months. For more information, visit <http://capecodhydrangeafest.com>.
