

Wellfleet Farmers Market Celebrates Ten Years

Join the Wellfleet Farmers Market on Wednesday, May 12 for opening day. This year the market celebrates 10 years of fresh, local fun!

The Wellfleet Farmers Market Board of Directors and Market Manager, Alyssa Staker are eager to welcome you for another season of safe and enjoyable outdoor shopping for all of your local food needs and desires.

This month customers can look forward to a selection of fresh greens, radishes, mushrooms, cheeses, eggs, peas, rhubarb, fresh pasta, relishes, pestos, olive oil, baked goods, body care products, masks, bags and more!

For folks looking to get a head start on your garden this year, you can do so with the help of your local farmer friends. You will find an offering of various plant starts for sale.

The Wellfleet Farmers Market is located at 200 Main Street in the grove behind The First Congregational Church and will be open Wednesdays 8-noon, May 12 thru October 6. Masks and social distancing are required. Visit wellfleetfarmersmarket.com for more information.
