

The Guild of Harwich Artists has reimagined their 40-year tradition of 'Art-in-the-Park' held each Monday in Doane Park, Harwich Port. Members of The Guild exhibit and sell original artwork in a wide range of artistic styles and mediums including oils, acrylics, pastels, and watercolor. This year offerings have been expanded to include prints, fine arts & crafts. Starting Monday July 5, the season will run through September 13, 10am to 5pm, weather permitting. Local musicians will play in the park from noon to 2pm. Come and enjoy the art offerings and music. Ample parking in the adjacent Post Office Square. The Guild's Art Gallery at 551 Main Street in the center of Harwich Port is an easy walk from Doane Park. The Guild's Art Gallery is open weekends, 11am-4pm; and daily starting June 27. The Art Gallery represents subjects and styles that vary with each of the 24 member artists with many choosing local scenes to paint.
